RABIN YOUTH ARTS AWARDS

2021 Call for Nominations

Nominations are now being accepted for the Rabin Youth Arts Awards.

Established in 2001, the Rabin Youth Arts Award is named after Wisconsin Youth Symphony Orchestras' founding conductor, Dr. Marvin Rabin. Dr. Rabin was well known for his international stature as a music educator and a researcher of youth and the arts. Dr. Rabin was a vigorous spokesperson for society's need to recognize the positive and creative accomplishments of young people, as well as the individuals and organizations that support these artistic efforts. The prestigious Rabin Youth Arts Awards, presented annually, continue the legacy of Dr. Rabin's life-long mission.

You all know that special person, organization, or company that stands out in your community for helping young people get involved in the arts. Now, your nomination can bring recognition for this outstanding work with youth in the arts and call attention to your community.
