Art of Note

CELEBRATION

A UNIQUE OPPORTUNITY FOR SPONSORSHIP

WYSO's 2023 Art of Note Celebration will take place Saturday, November 4th at the Monona Terrace Convention Center as an in-person celebration of musical performance, community, and a new beginning with WYSO preparing to move into the WYSO Center for Music in January 2024.

- Our **largest Fundraising Event of the Year** will celebrate WYSO's 2023-24 learning & performance journey in a program featuring live music by WYSO's fabulous chamber and ensemble groups.
- Activities will include the celebrated **Art of Note live & silent auctions, cocktail party, concert and dinner.**
- **All proceeds from the Art of Note Celebration support the programs of the Wisconsin Youth Symphony Orchestras**, a 501c3 non-profit organization with the mission of enriching lives by providing transformational musical experiences and opportunities for young musicians.

The WYSO program consists of five orchestras, a chamber music program, percussion, brass, flute, woodwind, and harp ensembles, and the WYSO Music Makers program, a non-competitive music education program for children from diverse backgrounds.

We hope you will join us on November 4, 2023 and **consider sponsoring our upcoming Art of Note in Celebration of a new beginning!**

Celebrating a new beginning.
WYSO's Center for Music, opening January, 2024

Please consider our sponsorship opportunities on the other side.
