

WYSO WAIVER

I acknowledge and agree that WYSO has implemented various safety measures intended to protect my child and others, but that when my child is participating in the WYSO programs and events, there are inherent risks of physical injury and illness, including the risk of exposure to or contracting the coronavirus/COVID-19 or other infectious diseases, and potential additional and associated consequences or costs. I acknowledge that my child's participation in WYSO is completely voluntary, and as a condition of participation in WYSO, I agree that we (my child, and we as parents and guardians) will comply with all WYSO rules and requirements, including health screening and temperature checks as deemed appropriate by WYSO or through any other legal requirement or agency guidance. All information provided by screening will be kept confidential as required by applicable laws. WYSO will use the information provided only to advise and protect other students and staff members from any transmission of the virus.
